**Want to hear what others are learning in "Life Lessons"?**

Volunteers from area churches are offering classes to inmates at the jail who have been enrolled in the Life Lessons program.  
 For more information or to get involved, contact Pastor Dave - [david@warrenbaptistchurch.org](mailto:david@warrenbaptistchurch.org)

**Helpers Needed!**

The WBC Nursery is looking for additional volunteers. It is our goal to have caring volunteers who will love our children (birth through age 2) and point them toward Jesus. Are you Interested? Keep reading.

- You need not be a member to volunteer but must have attended WBC for six months or more.
- Nursery 'attendants' need to be 18 years or older. 'Helpers' need to be in Jr. High or older.
- All volunteers must complete a Christian Education Department Staff application. This includes passing a background check.
- Volunteers are usually only scheduled twice every four months and substitute positions are available if you can't be a regular volunteer

If this sounds like an area of service that would be a good fit for you, we'd appreciate your willingness to be a part of the caring environment for our little ones! Please let Hannah Ward know and we will get you on the volunteer list. Thank you!
