 No more guessing; no more hoping – just a solid walk with the Master.
 It's a come and grow event!

Help for the Kirkmans

Donations will be a big help for the Kirkmans to cover the cost of meals for the family while they're staying at the Ronald McDonald house before newborn Elliott is stronger and starting to eat on his own!! There are TWO good ways for people to help them with expenses:

Direct deposit into this account at InRoads Credit Union: *Donations for Mr Kirkman #8832372*
 or a regular VISA Gift Card

Once the family is home, we will start up a Meal Train for them.

Memorial for Harold Laird

A service for Harold Laird will be held here, at Warren Baptist, on Saturday, January 19 at 2pm. There will be a dessert and coffee fellowship time afterward. If you are planning on attending and would be willing to bring a dessert to share, please contact the church office.

Update From Winslow Thurston

Dear WBC Family,

As some of you have already heard, December was a rough month for us in terms of my cancer treatment. At the beginning of December, we found out the chemotherapy that I had been taking was not working as hoped and one tumor had actually grown. That led to a couple of weeks of radiation treatment to shrink the tumor. I was just cleared to start a new chemotherapy treatment that will hopefully continue to shrink/eliminate the tumors.

Thank you for your ongoing prayers and concerns on my behalf. Recent calls, notes and visits have been very encouraging in these uncertain times. I am also very grateful for the very generous financial gift from WBC to help with ongoing expenses. It is wonderful to know that you continue to walk with Donna and I through this difficult process. – Winslow

If you would like to give a donation to help with medical expenses, simply designate on your check or offering envelope what you want to contribute to the Benevolence Fund
